

# TOPCALF MONO CALF HUTCH

The Topcalf Mono calf hutch is a mobile calf housing for one calf. A healthy living environment is of huge importance for a calf to grow and develop itself well. Exposure to extreme cold / heat and draught should always be prevented.

With the mobile Mono calf hutch of Topcalf you're ensured of a calf hutch that offers your calves a very high level of comfort with sufficient space. In this calf housing, the calf is well protected against draughts and thanks to the solid plastic walls and the removable slatted floor, this calf hutch is easy to clean.
